

**REMARKS**

In reviewing the prosecution of the application, and prior to payment of the Issue Fee, it is noted that the Response filed on May 9, 2007 had a typographical error in the amendments requested to the specification. Specifically, it is noted that the amendment requested for page 6, line 23 should have been for **page 5**, line 23. Accordingly, it is respectfully requested that the paragraph inserted at page 6, line 23 be deleted and that the subject paragraph instead be inserted at page 5, line 23.

It is respectfully submitted that no new matter is being added by this amendment as it is for clarification purposes only, and that no new issues are raised as to patentability. Therefore, it is respectfully requested that this Amendment After Allowance be accepted.

No fee is believed due with this submission; however, the undersigned Attorney hereby authorizes the Commissioner to charge payment of any fees associated with this communication or to credit any overpayment to Deposit Account No. **18-0987**. If a withdrawal is required from Deposit Account No. **18-0987**, the undersigned Attorney respectfully requests that the Commissioner of Patents and Trademarks cite Attorney Docket Number **BBD.P0021.US** for billing purposes.

The Examiner is invited to contact the undersigned should he believe that this would expedite prosecution of this application.

Respectfully submitted,
